# THE BRUNS

*Did you know, that there are many different people involved in the BRUNS? When we came up with the concept we decided to form an association, BRUNS e.V.. Our goal is not about making profits, but rather to offer a space for COMMUNITY, INSPIRATION and ENJOYMENT for everybody. To be able to ensure this we put in the work and cooperate with wonderful companies.*

*If you have any ALLERGIES or FOOD INTOLERANCES, please let our staff know. We have a separate menu indicating all allergens in our food.*

*Recently, we have overhauled our coffee selection. Collaborating with LE DOG COFFEE we now offer our very own house roast. Additionally, we now have a second coffee grinder, so you can try varying espresso beans from different roasters.*

*Our fresh, non-homogenized milk is sourced directly from the farm MILCHBAUERNHOF GEHRKE in Groß Sisbeck. That way, we can support animal welfare and guarantee top quality. And since the milk is delivered in reusable containers, we do something for the environment as well.*

*Our chocolate powder is produced by BLÖMBOOM. The cocoa beans grow on organic plantations in Tanzania and Ecuador. It is free of preservatives, artificial dye, fillers or flavorings. BLÖMBOOM supports the work of Chimfunshi, one of the largest chimpanzee sanctuaries in the world, located in Northern Zambia.*

*Our bagels are made of just five basic ingredients (flour, water sugar, salt and yeast), are free of artificial additives, and produced by SALOMON BAGELS, Berlin.*

*We do also have Gluten-free baked goods on offer, that we source from RESCH UND FRISCH. For every guest to enjoy our bagel breakfasts, we use these to replace the bagels.*

*Needless to say, the energy we use is sustainable and is obtained by the regional supplier BERGMANN. For our little guests we have child-proofed the outlets.*

*To stay on top of our current offers and events make sure to follow us on INSTAGRAM.*

*And now we hope that you have an enjoyable and inspiring time here at the BRUNS. Savor the moment. If you have any questions or concerns don't hesitate to let us know.*
